

A KAIROS WORKSHOP

SECRET SACRED SEVEN

*An introductory course into Sacred Geometry and the
Mystery of Seven-fold form.*

with Daniel Docherty

10TH APRIL 2023 ◆ 10am – 5pm

at Dartington Estate, Lower Close, Totnes, Devon

Why is it that we rarely, if ever, see seven in the world around us?

It is the most elusive and mysterious of forms.

In numerous mythological traditions and sacred texts seven is aligned with wisdom and the journey of the soul. It is the number governing the philosophy and practice of Labyrinths and is generally perceived as the governing number of the ever-changing lunar cycles.

During this one-day workshop we will explore the elusive mystery of seven through the drawing of several beautiful patterns including the Kairos Flower, Labyrinths and a twenty-eight petalled Lunar Mandala.
